What a blessing it is to serve God's precious children of Fountain of Life. One of my biggest desires and teaching for the children is to find INDESTRUCTIBLE joy in our Lord and Savior Jesus Christ. We will accomplish this by having and developing a relationship with our Heavenly Father. We will also be learning God's word so that we can live it!

Vanessa Reed

Working with the youth of Fountain of Life has been an unexpected blessing and joy that I didn't realize I would need when first beginning. What a tremendous honor and privilege it is to be a part of the lives of and to be able to serve the world's next greatest leaders. More precious and important than that, they are the future of God's great Church. These future evangelists, pastors, teachers, prophets and apostles are formidable kingdom citizens in the making. And I love to see their growth!

Tiffani Stewart

My name is Tiffani Stewart and I am the empowered youth leader for children in grades 7-12. I currently serve as an Instructional Leader at Bush Hills STEAM Academy, so I am an educator at heart. I strive to make a difference in children's lives daily at my job. It makes it extra special that I get to make an impact in children's lives through God's Word. I want our children to grow up learning how to be great warriors in the kingdom. I look forward to working with all families.
