

January 5, 2025

Greetings in the name above every name, the name of Jesus Christ our Lord and Savior. I bring you glad tidings of joy and great peace.

Happy New Year! What an honor it is for us to corporately honor God through a sacrifice of fasting and prayer as we embark upon 2025! Our corporate consecration will convene January 12-February 1, 2025. This fast God has chosen to loose the bands of wickedness and undo heavy burdens, to let the oppressed go free, and break every yoke! Our time of fasting will result in an unprecedented and supernatural breakthrough and exponential growth. We will experience God's guidance as we seek to build old waste places and raise up foundations for many generations to come.

I am asking you to fully commit to this time of consecration. Make a sacrifice to the Lord in some way. Everyone may not be physically able to sacrifice at the same level, but we all have something that we can offer unto the Lord.

- Fasting will commence at sunrise daily and expire (at minimum) at 3:00p for those physically able to endure. If you are unable to endure until this time, please do what is best for your physical health and in accordance with your physician's guidance.
- You may choose a total/absolute fast (no liquid or solid foods for the stated timeframe); water only (for the stated timeframe); or juice and water (liquify/juice fruits and vegetables as a late afternoon meal replacement with water).
- Because we are fasting, I am recommending a modified diet of vegetables and fruit and plenty of water. Limit your intake of sweets. Moderate the amount of greasy and oily foods you eat (fried foods and fatty foods). This is a great time to renovate the Temple of God!
- Intentionally make time to pray and read. Limit distractions of television, social media, and unnecessary conversations. Make a stronger connection with God.
- Make time to pray daily at 6:00a, 9:00a, 12:00p, 3:00p, and 6:00p. Let us revive our spirit man with consistent prayer.

Lord, Build Your Church
Jesus: The Architect in Heaven, The Builder in Earth
